1. Acknowledgement of Aboriginal People and Country

The Department of State Growth (State Growth) recognises and values Aboriginal histories, knowledge and lived experiences and is committed to being culturally inclusive and respectful in our working relationships with all Aboriginal people.

State Growth acknowledges all Aboriginal people; the traditional owners of the Land upon which we work and pay our respects to Elders past and present.

2. Overview

Events are an important part of the visitor economy. They create a trigger for travel, promote regional dispersal of visitors, encourage participation and connectedness between people, and create excitement and entertainment, which in turn increases people's desire to visit or return to Tasmania.

Events Tasmania is committed to attracting people to Tasmania, encouraging people to move around Tasmania and inspiring people to talk about Tasmania through their own circles of influence.

Events Tasmania aims to deliver a balanced events portfolio that enhances Tasmania's brand and reputation as a unique tourism destination while aligning with the [Tasmanian Government Events Strategy 2023-2027](#).

The Tasmanian Government's Events Strategy 2023- 2027 provides a framework to maintain a sustainable and successful tourism and hospitality sector that delivers greater benefits to the economy and our communities, by supporting events that align with these three pillars:

- I. Economic – Events are a key generator of economic growth opportunities.
- II. Social – Events contribute to our environment, wellbeing and connectedness, and incorporate into their offerings a genuine recognition of our island and its people.
- III. Brand – Events create substantial value for Tasmania and Tasmanians. Tasmania has become a popular destination for visitors seeking to explore the many unique experiences on offer.

3. Aim

The aim of the Touring Grant Program is to provide targeted funding for organisers of touring activities that travel throughout Tasmania, contributing to the state's broader visitor economy. These touring activities support the regional dispersal of visitors, encourage the exploration of Tasmania's diverse landscapes and communities, and create unique travel experiences that inspire word-of-mouth promotion. The grant aligns with the Tasmanian Government Events Strategy 2023-2027, contributing to the sustainable growth of the tourism and hospitality sectors by fostering events that provide economic, social, and brand benefits for Tasmania.

It is a requirement that all grant recipients under this program acquit their grant. When successful applicants are notified, they will automatically receive their acquittal form. This will be via an email from SmartyGrants. The email will include a link to the acquittal form and detail the due date for completion.
